Make a Peppa Play!

1 With the help of a grown-up, print out Peppa Pig and her friends. Cut around them and then stick a lollipop stick or strip of thick card behind them.

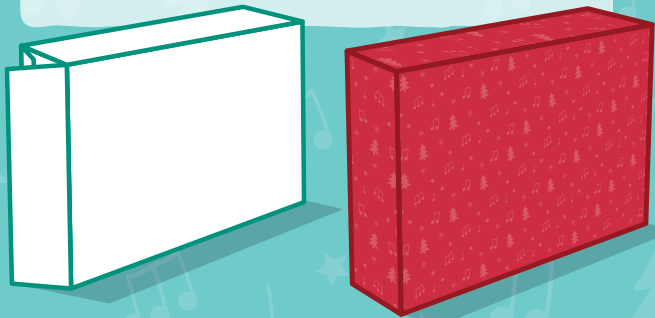

3 Cut out a rectangular from the front of your box leaving a good sized frame. Then cut out the sides of your box as shown.

5 Place your characters through the side holes, start your play and have fun!

2 Find a box a little bigger than the size of your printout above. Glue all flaps closed and cover with wrapping paper.

4 Print out and glue the Peppa background into the back of the box.
